

UNITED STATES DISTRICT COURT
DISTRICT OF OREGON

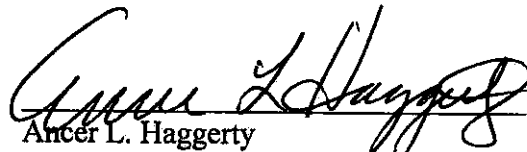

**NOTICE OF AVAILABILITY OF WRITTEN OPINIONS
AND NOTICE REGARDING ACCESS TO OPINIONS, ORDERS
AND JUDGMENTS IN SOCIAL SECURITY AND IMMIGRATION CASES**

In compliance with the E-Government Act of 2002, electronic access to the Court's written opinions filed on or after April 11, 2005 are available via the CM/ECF program at no cost. A written opinion is defined by the Judicial Conference of the United States as "any document issued by a judge or judges of the court, sitting in that capacity, that sets forth a reasoned explanation for a court's decision."

In addition, pursuant to Fed. R. Civ. P. 5.2, the opinions, orders, judgments or other dispositive orders of the Court in actions for benefits under the Social Security Act, and in an action or proceeding relating to an order of removal, relief from removal, or to immigration benefits or detention are available via the CM/ECF program. There is a cost for viewing documents that are not designated as written opinions of the Court. Currently, that cost is .08¢ per page.

A PACER (Public Access to Court Electronic Records) account is necessary to view documents and reports via CM/ECF over the Internet. To register for a PACER account, go to <http://pacer.psc.uscourts.gov>.

A Written Opinions Report is available from the Reports menu within CM/ECF. To log into CM/ECF, go to: <https://ecf.ord.uscourts.gov> and click on the link *District of Oregon - Document Filing System*.
